## OUR STORY

---

Since opening in 1996 by Scott Smith, Randal Durham and Randolph A. Durham, Shiloh's has followed two basic principles of success-Quality Food and Service.

Unlike other copycat chains, Shiloh's is a one-of-a-kind, family owned restaurant unlike any other. While other steak houses and restaurants serve only a few steaks that are graded USDA Choice, Shiloh's serves only USDA Choice steaks. The quality of Shiloh's food is unmatched, like their Famous Ranch Dressing and Yeast Rolls both made-from-scratch daily.

Our owners, management and entire staff are all dedicated to the Shiloh Legacy created by it's founders of only the Highest Quality Food and Service.

"Shiloh's where Quality Food and Service isn't everything, it's the Only Thing"

Thanks for joining us for what we hope will be an unforgettable dining experience.
